PROFESSIONAL SUMMARY

Music producer and guitarist with a background in classical, acoustic and electric guitar, and experience in recording, mixing, audio editing and music production. Interested in immersive audio and the connection between music, sound and storytelling; studies in psychology and music shape a research-led approach. Formal guitar training (Trinity College London Grade 3 Classical Guitar — Distinction, 91/100; two-year Level II course, Tansen Sangeet Mahavidyalaya). Published researcher on Indian and Western music as a cathartic tool (AAFT Journal, 2026).

WORK EXPERIENCE

Music Producer — Dusq, Dwarka, Delhi
- Produced binaural beats and meditation tracks
- Worked with Hume AI to provide audio narrations
- Audio editing and processing for precision, impact and accuracy
